**Description:** 3v3 in 3 teams - The team in blue starts on the ball. They take turns attacking both opposing teams. The opponents need to have 1 player (goalkeeper) in the shooting zone at all time, the 2nd player has to stay around the line that marks the shooting line and the 3rd defender is allowed to defend in the middle of the field. The team on the ball is given a number of attacks to score as many goals as they can before switching with 1 of the other teams.

**Objective:** Find an open player that is able to shoot on goal from inside the shooting zone.

**Coaching Points:**

- 1 - Organization / Shape
- 2 - Angles of support
- 3 - Ball speed
- 4 - Use of the width

**Progression:** The attacker lose their right to attack when they shoot the ball wide of the goal or the defenders intercept the ball. Defenders have to complete at least 1 (or 2/3) pass. With the change of rules we are adding a transition moment to the game.
