

## 3v3 on a wide field with half way line

**Date:** 6/Oct/2015

**Measurement:** 30 x 30 Yards

**Time:** 17:00

**Players:** 6

**Duration:** 20

**Level:** U5 - U14

**Objective:** Players naturally spread out across the width of the field.

**Description:** Players are divided over 2 even teams, 3v3. Both sides defend 2 small goals and can score on 2 small goals. The field is about 20 yards long and 25-30 yards wide. A line of cones is laid out from end line to end line, dividing the field in 2 halves. The team in possession of the ball is not allowed to keep more than 2 players on either side of this line in possession of the ball.

**Coaching Points:**

- 1 - Utilize the width
- 2 - Focus on the right shape - triangles
- 3 - Recognize when to go forward and when a pass back might be best
- 4 - Angle and distance of support
